Welcome to Loyola!

Happy 20-year anniversary to the Ramblin' Around Guide!

This guide started in 2003 with only a few pages of businesses listed near the Lake Shore Campus, and now it has grown to 3 campuses, and over 800 business listings. Our student guide serves as your one stop shop to know where and what is located around the Lake Shore, Water Tower, and Health Science campuses. This guide includes business listings from tasty restaurants, grocery stores, museums, and local shops to health clubs and pharmacies. Also included is information on how to get around the city via public transportation, where to study, and what you can save on by using your Loyola I.D.

Lake Shore Campus is Loyola's main residential campus, it is in the Edgewater and Rogers Park neighborhoods on Chicago's North side. It is situated along the shores of Lake Michigan which makes Loyola one of the most picturesque universities in the Midwest.

Water Tower Campus located next to Chicago's famed "Magnificent Mile," Loyola's Water Tower Campus offers invaluable access to locally and nationally recognized Fortune 500 companies. Loyola's downtown campus has placed students in the heart of the city, offering internships, networking, and career opportunities. It's high-end boutiques, and restaurants favored by celebrity's past and present all give this neighborhood its star power.

Health Science Campus is in the village of Maywood, a residential community just west of the Water Tower campus. Loyola's Health Science campus is home to 980 faculty members and more than 2,200 students enrolled in Stritch School of Medicine, Niehoff School of Nursing, Parkinson School of Health Sciences and Public Health, biomedical programs of The Graduate School, and a health science research enterprise. Undergraduates have limited contact with this campus, but nursing students may be assigned there for clinicals.

Loyola University Chicago's Guidelines to Campus are focused on the safety, health, and well-being of our community as our top priority. Now more than ever, we are called together to care for ourselves, each other, and the broader community.

The policies and protocols in this document are designed to support safety and our mission to provide a first-class, Jesuit, Catholic education that prepares our students to serve humanity through learning, justice, and faith.

Good Neighbor Policy:

Students are expected to conduct themselves as mature and responsible members of the Chicago and Loyola communities. As such, they are responsible for upholding all federal, state, and city laws and ordinances, especially those relating to noise, traffic, parking, zoning, and consumption of alcohol. In addition, they are expected to foster an atmosphere that nurtures positive educational pursuits, an understanding and tolerance of those with different cultural and political points of view, and an environment that encourages responsible behavior.

All members of the Loyola community, including non-Loyola partners and neighbors, have the right to report alleged student misconduct to the University. All reports will be reviewed by university staff and, where potential violations of the Community

Standards are found, staff will follow up on the report.
